Subject: **DSWD -RRP Project LAWA at BINHI**

Dear Director Dollaga,

Good Day to You!

The barangay Casiklan water system is a recipient of DSWD Risk Resiliency Program – Project LAWA at BINHI in which the activity is to relocate the distribution pipelines that settles under the house or inside the perimeter fence that was constructed years after the construction of pipelines. After the activity, we found out several leaks and damage of pipes that causes of airlocks and waste water.

In lieu of this, we would like to request your good office for the **water hose assistance** to improve the delivery of water services to our constituents. This could have a great impact to our community as well as the development of this growing barangay. The assessment of needed water hose per purok is as follows;

Name of Purok	Transmission Line	Distribution Line	Remarks
Purok 3		300 meters #1 ½, 5 Connectors	New Installation
Purok 6		600 m # 1 ½, 10 couplings	Repair and expansion
Purok 7		600m #2, 10 couplings	Repair and expansion
Purok 8	900m #2, 15 coupligs	300m #1 ½, 5 couplings	New installation and repair
Purok 9		300m #2, 5 couplings	expansion
Purok 10		600m #2, 10 couplings	Repair and expansion

Total: 6 Puroks, 2,400m (40 rolls) #2' P.E. Hose, 1,200m (20 rolls) # 1 ½ ' P.E. Hose

Hoping for your Kind and Humble consideration to this request.

Thank you and God Bless.

Yours Truly,

Hon. Gregorio G. Buntag Jr.
Barangay Captain
