DIRECTOR MARI-FLOR A. DOLLAGA-LIBANG
Regional Director
Department of Social Welfare and Development – CARAGA
R. Palma Street, Butuan City

Dear Director Dollaga-Libang:

Greetings of concord and abundance!

The prevalence of climate change has been a serious concern of the country and in the province of Agusan del Sur which greatly affect the vulnerable communities in terms of water sufficiency and food security. We affirm that the implementation of the **Project LAWA at BINHI** or Local Adaptation to Water Access and Breaking Insufficiency through Nutritious Harvest for the Impoverished, a project under the **Risk Resiliency Program – Cash-for-Training and Work (RRP-CFTW)** would address these pressing issues by enhancing the resilience among the vulnerable communities.

In this regard, we are of profound gratitude that the province of Agusan del Sur has been allocated a total of **ten million seven hundred eighty thousand pesos** (Php 10,780,000.00), benefiting **1,400** beneficiaries for the implementation of the said program. Your unwavering support is a manifestation of resilience towards our goal in creating a better Agusan del Sur. We commit to fully support this initiative to ensure that success can be truly felt by our constituents.

Thank you very much.

Very truly yours,
