

KliMalasakit Online Document Updating System (KODUS) User Manual

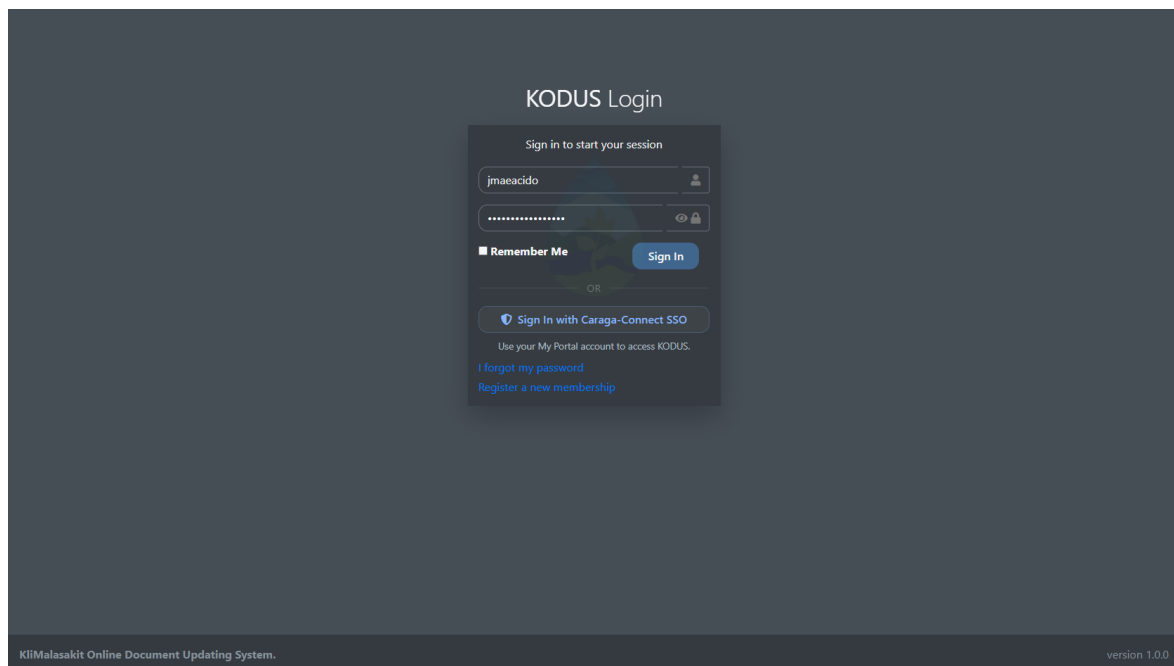

Accessing KODUS

Step 1: Go to the KODUS website and select the year to continue.

Year selection page

Step 2: Enter your username and password, then sign in to the system.

Login page

Administrator Guide

Step 1: Open the Dashboard to access administration, implementation, tracking, reports, and settings modules.

Administrator dashboard

Step 2: Click Settings to update your profile, password, and security preferences.

The screenshot displays the 'Account Settings' interface for a user named John Mark Agustin Estrosos Acido. The page is organized into several sections:

- Header:** Includes the user's name, email (JMAEA94@gmail.com), and role (Project Development Officer-I). It also shows status indicators for 'ADMIN', 'Dark Theme', and '2FA Enabled'.
- Profile Information:** A section for updating personal details.
 - IDENTITY:** Fields for First Name (JOHN MARK AGUSTIN), Middle Name (ESTROSOS), Last Name (ACIDO), and Extension.
 - WORK DETAILS:** Fields for Position (Project Development Officer-I), Position Abbreviation (PDO-I), and Area of Assignment (Field Office). A note indicates the abbreviation is filled automatically from the selected position.
 - CONTACT AND ACCESS:** Fields for Email (JMAEA94@gmail.com) and Username (jmaeacido).
- Profile Snapshot:** A section for uploading a profile photo, currently showing 'No file chosen' and a 'Remove Photo' button.
- At a Glance:** A summary of key account settings.
 - USERNAME:** jmaeacido
 - AREA:** Field Office
 - POSITION ABBREVIATION:** PDO-I
 - AUTHENTICATION:** Protected with authenticator 2FA
 - RECOVERY CODES:** 3 available
- Authenticator App:** A section for managing two-factor authentication, with a 'Disable 2FA' button.
- Recovery Codes:** A section for managing backup codes, showing '8 available' and buttons for 'Regenerate Recovery Codes' and 'Print / Download Codes'.
- Danger Zone:** A warning section about deleting the account, with a 'Delete My Account' button.
- Preferences And Security:** A section for updating the password and theme.
 - PASSWORD UPDATE:** Fields for 'New Password' and a confirmation field, with instructions on password requirements (at least 8 characters with uppercase, number, and special character).
 - Theme:** Options for 'Light' (Bright workspace for daytime use) and 'Dark' (Lower-glare view for dim rooms).
 - Save Changes:** A button to apply all updates.

The footer of the page includes the text 'Masakit Online Document Updating System.' and the version information 'Version 2.4.6 · Mar 30, 2026'.

Settings page

Step 3: Enter the verification code when two-factor authentication is required.

KODUS SECURITY CHECK

Verify Your Sign-in

Enter the current authenticator code or a saved recovery code for **jmaeacido**.

Authenticator Verification

Enter a 6-digit authenticator code, or use one of your saved recovery codes if your app is unavailable.

Enter Your Code

Use the latest code from your authenticator app or a saved recovery code.

Codes refresh every 30 seconds. Recovery codes can be longer.

[Verify Sign-in](#) [Back To Login](#)

Two-factor verification page

Step 4: Click Users Management to view active user accounts.

Reset user 2FA

Step 9: Open the user security options to manage two-factor settings.

The screenshot displays the '2FA Readiness/Authenticator Status' section of a user management dashboard. At the top, three summary cards show: 0 Idle, 17 Offline, and 1 Deactivated / Deleted. Below these, a section titled 'Authenticator 2FA Rollout Status' provides a summary: 1 Configured, 10 Pending Setup, and 3 Disabled. A table lists individual users with columns for Username, Full Name, Email, 2FA Status, Recovery Codes, Presence, and Action. The table shows 17 entries, with the first 10 visible. The 'Action' column includes 'Reset 2FA' buttons for each user.

Username	Full Name	Email	2FA Status	Recovery Codes	Presence	Action
jmaeacido	John Mark Agustin Estrosos Acido	94JMAEA94@gmail.com	Configured	8 recovery codes	Online	Reset 2FA

Version 2.4.6 · Mar 30, 2026

Calendar page

Step 3: Click the create option in Calendar to add a new event when allowed.

The screenshot displays a calendar application interface. On the left, a sidebar contains navigation options: Home, Calendar Tools, Recent events, Filter by title, guest, location, Filter by date, Filter by date range (format: yyyy-mm-dd), Filter by day, and Filter by filters. Below these are sections for 'Show holidays', 'Show all-day events', and 'Show timed events'. The main calendar view shows a grid of dates with a highlighted date '3' (Saturday, April 3) labeled 'Sabado de Gloria'. An 'Event' modal form is open in the center, allowing the user to create a new event. The form includes fields for Title, Description, and a checkbox for 'All day'. Below these is a 'Daily Schedule' section with a table for adding rows with specific dates, start, and end times. The 'Guests' section lists several email addresses: adcea (adcea@dswd.gov.ph), agamporias (andygamporias@gmail.com), dlsalvador (dlsalvador@dswd.gov.ph), dtjanopol (janopoldwight45@gmail.com), feflorida (feflorida@dswd.gov.ph), jhoncarloroxas (jhoncarlobitoiroxas@gmail.com), jlompad (jlompad@dswd.gov.ph), and jmaeacido (94JMAEA94@gmail.com). At the bottom of the modal are 'Delete' and 'Save' buttons. The bottom of the screen shows a footer with 'Isakit Online Document Updating System' and 'Version 2.4.6 - Mar 30, 2025'. Below the main calendar view, there are sections for 'Draggable Events' (with a 'remove after drop' checkbox) and 'Create Event' (with a color picker, 'Event Title' field, 'Add' button, and a 'Drag to Delete' button).

Create calendar event

Step 4: Click the edit option in Calendar to update an existing event when allowed.

The screenshot displays a calendar application with a dark theme. A modal window titled "Event" is open, allowing for the editing of an existing event. The modal contains the following sections:

- Title:** A text input field containing "WFH".
- Description:** A text input field containing "Work-from-Home".
- All day:** A checkbox that is currently unchecked.
- Daily Schedule:** A table with columns for Date, Start, and End. It contains one row for the date 2026-04-16, with a start time of 08:00 AM and an end time of 05:00 PM. A "Remove" button is next to the end time.
- Guests:** A list of email addresses, including adcea@dswd.gov.ph, agamporias (andygamporias@gmail.com), dlsalvador (dlsalvador@dswd.gov.ph), dtjanopol (janopoldwight45@gmail.com), feflorida (feflorida@dswd.gov.ph), jhoncarloroxas (jhoncarlobitoiroxas@gmail.com), jlompad (jlompad@dswd.gov.ph), and jmaeacido (94JMAEA94@gmail.com). There are "Select All" and "Clear" buttons.

At the bottom of the modal are "Delete" and "Save" buttons. The background shows a calendar interface with a sidebar on the left containing various tools and filters, and a main calendar view on the right showing a grid of dates.

Edit calendar event

Step 5: Click an event in Calendar to view its details.

Data Tracking Out page

Step 11: Use the outgoing tracking action to record a released document.

OUTGOING DOCUMENT LOG
Create a clearer outgoing document entry
Capture the routing, attachment, and handoff details in one clean form so the outgoing trail is easier to follow.

Document Details
Use a clear description. Matching an incoming document can also help prefill related file details.

Outgoing Date
2026-04-16

Description
Describe the document being sent out.

Start typing to reuse wording from related incoming documents.

Upload File
Choose File No file chosen

Remarks
Add notes, context, or reminders if needed.

Routing Details
These fields make the outgoing handoff easier to trace later.

Receiving Office / Personnel
Enter the destination office or recipient

Date & Time Forwarded
2026-04-16 01:12 PM

Track outgoing document

Step 12: Click the view action in Data Tracking Out to review a record.

The screenshot shows the 'Document Details' page for an outgoing document. The document ID is 04-14-26-000115-I, dated 2026-04-14. The description is 'ENDORSEMENT OF THE REQUEST FOR ADDITIONAL BUDGET ALLOCATION FOR RRP-CCAM-CFTW PROJECT LAWA AT BINHI SECOND SEMESTER CY 2026 IMPLEMENTATION'. The document summary, routing, and attachment sections are visible. The routing shows it was forwarded to C.O. by dtjanopol on 2026-04-14 at 08:35:00. The attachment is a PDF file named 'rrp-ccam-cftw_project_lawa_at_binhi_second_semester_cy_2026_implementation_20260414_083504.pdf'. A table on the right shows the forwarding history.

Fiscal Year 2026

Target planning for LAWA and BINHI

Add Target

Import an Excel file with these exact headers: PROVINCE, MUNICIPALITY, BARANGAY, PUROK, PROJECT NAME, PROJECT TYPE, PROJECT CLASSIFICATION, LAWA TARGET, BINHI TARGET, CAPBUILD TARGET, COMMUNITY ACTION PLAN TARGET, TARGET PARTNER-BENEFICIARIES. Each purok must line up with its matching project name, project type, and classification. For multiple entries in one row, separate each column with || in the same order. Target Partner-Beneficiaries should be the barangay's beneficiary target.

Edit Program Activities

Step 8: Click Project Location Records to review stored project location data.

Project Location Records
Fiscal Year 2026 Actual accomplishment records only

Showing 1 to 1 of 1 entries

Project ID	Project Name	Latitude	Longitude	Purok	Barangay	Municipality	Province	Drive Link
7b329cb7-9045-4327-9070-415ea54d46f	Community-Based Vegetable Garden	8.947920	125.374730	PUROK 3	MACALANG	BUENAVISTA	AGUSAN DEL NORTE	Open Link

Project Location Records page

Step 9: Click Project Location Maps to review project locations on the map.

The screenshot shows the 'Project Location Maps' page. At the top, there are filters for 'Fiscal Year 2026', 'Actual implementation locations', and 'Fit All Markers'. Below these are dropdown menus for 'Source' (All actual sources), 'Municipality' (All municipalities), 'Classification' (All classifications), and a 'Search' bar containing 'Project, barangay, purok'. A 'Program Activity' section is also visible. A summary bar shows '1 Linked Target Rows', '1 Activity Pins', and '1 Municipalities Covered'. The main map area displays a satellite view of a rural landscape with a green pin marking a location. To the right, the 'Project Details' panel for 'Community-Based Vegetable Garden' (PUROK 3, MACALANG, BUENAVISTA) is shown, including primary details like Project ID, Module Source, Status, and Classification. A sidebar on the left contains navigation icons and a 'Map View' section.

Project Location Maps page

Step 10: Open the map view to inspect project locations visually.

This screenshot shows the 'Project Location Maps' view. The map area is more prominent, showing a satellite view of a rural landscape with a green pin marking a location. A tooltip for 'Community-Based Vegetable Garden' is displayed over the pin, showing the project name, location (MACALANG, BUENAVISTA), and coordinates (8.947920, 125.374730). The 'Project Details' panel on the right provides more information, including the Project ID, Module Source, Status, Classification, Project Type, Province, Municipality, Barangay, Purok, and Latitude. The sidebar on the left includes navigation icons and a 'Map View' section.

Project Location Maps view

Step 11: Click LAWA Summary to review implementation summary data.

Implementation Status Details

This page shows the **LAWA** details in a barangay-level matrix based on Baseline Targets and Program Activities records for the selected fiscal year.
For LAWA, Total Water Capacity and Potential Area Covered are computed from the Area of Land Utilized using the fiscal year's Project Variables coefficients.

Summary: 100 Partner-beneficiaries

Province	Municipality	Barangay	No. of Partner-beneficiaries		Type of LAWA (Name of Sub-Project/Activity)	No. of LAWA		No. of LAWA

Sex-disaggregated PWD Summary page

User Guide

Step 1: Open the Dashboard to view the modules available to your account.

User dashboard

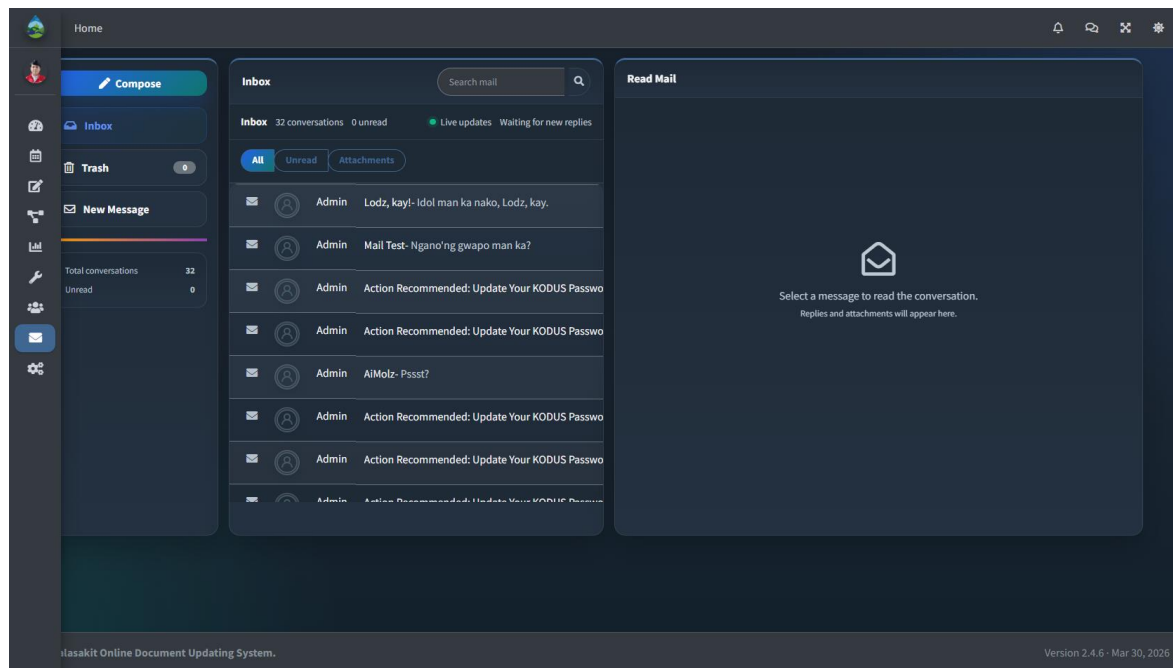

Step 2: Click Settings to update your profile, password, or two-factor authentication settings.

The screenshot displays the 'Account Settings' interface for a user named John Mark Agustin Estrosos Acido. The page is organized into several sections:

- Header:** Includes the user's name, email (JMAEA94@gmail.com), and role (Project Development Officer-I). It also shows status indicators for 'ADMIN', 'Dark Theme', and '2FA Enabled'.
- Profile Snapshot:** A section for updating the profile picture, showing a 'Choose File' button and a 'Remove Photo' button.
- Profile Information:** A form with fields for 'First Name' (JOHN MARK AGUSTIN), 'Middle Name' (ESTROSOS), 'Last Name' (ACIDO), and 'Extension'.
- Work Details:** A form with fields for 'Position' (Project Development Officer-I), 'Position Abbreviation' (PDO-I), and 'Area of Assignment' (Field Office).
- Contact and Access:** A form with fields for 'Email' (94JMAEA94@gmail.com) and 'Username' (jmaeacido).
- Preferences And Security:** A section containing several sub-sections:
 - Authenticator App:** A section for managing two-factor authentication, including a 'Disable 2FA' button.
 - Recovery Codes:** A section for managing recovery codes, showing '8 available' codes and buttons for 'Regenerate Recovery Codes' and 'Print / Download Codes'.
 - Danger Zone:** A section for deleting the account, with a warning message and a 'Delete My Account' button.
 - Theme Preference:** A section for selecting between 'Light' and 'Dark' themes.
 - Password Update:** A section for updating the password, with a 'New Password' field and a 'Save Changes' button.

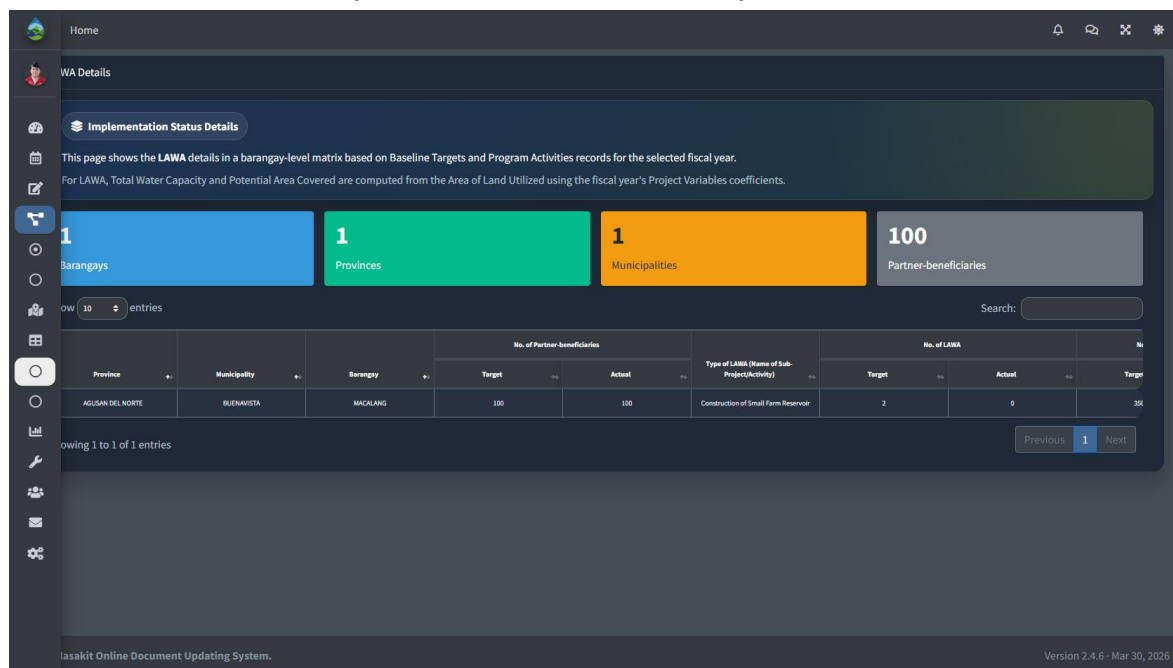

Settings page

Step 3: Click Inbox to view your messages.

Inbox page

Step 4: Click LAWA Summary to view available summary data.

LAWA Summary page

Step 5: Click BINHI Summary to view available summary data.

The screenshot displays the 'BINHI Summary' page. At the top, there's a section titled 'Implementation Status Details' with a sub-header 'BINHI Details'. Below this, a message states: 'This page shows the BINHI details in a barangay-level matrix based on Baseline Targets and Program Activities records for the selected fiscal year. For BINHI, produce, individuals fed, and families fed are computed from the actual planted/introduced quantities using the fiscal year's Project Variables coefficients.'

Below the message, there are four summary cards: '1' for Barangays, '1' for Provinces, '1' for Municipalities, and '100' for Partner-beneficiaries. A search bar is present next to these cards.

The main data table has columns for Province, Municipality, Barangay, No. of Partner-beneficiaries (Target, Actual), Vegetable (Target, Actual), and Crops (Banana, Corn, Rice) (Target, Actual). The data row shows: Province: AGUSAN DEL NORTE, Municipality: BUENAVISTA, Barangay: MACALANG, No. of Partner-beneficiaries: Target 100, Actual 100, Vegetable: Target 7000, Actual 1, Crops: Target 0, Actual 0.

At the bottom, there's a pagination bar showing 'Showing 1 to 1 of 1 entries' and 'Previous 1 Next'.

Footer: lasakit Online Document Updating System. Version 2.4.6 - Mar 30, 2026

BINHI Summary page

Step 6: Click Project Location Maps to view project locations.

The screenshot displays the 'Project Location Maps' view. At the top, there's a section titled 'Project Location Maps' with a sub-header 'Fiscal Year 2026' and 'Actual Implementation locations'. Below this, there are filters for Source, Municipality, Classification, and Search. The search bar contains 'Project, barangay, purok'.

Below the filters, there are four tabs: 'Markers', 'Linked Target Rows', 'Activity Pins', and 'Municipalities Covered'. The 'Markers' tab is selected.

The main map area shows a satellite view of a region. A marker is placed on the map, and a pop-up box displays the project details: 'Community-Based Vegetable Garden', Program Activity, MACALANG, BUENAVISTA, 8.947920, 125.374730. A 'View details' link is present.

On the right side, there's a 'Project Details' section. It contains a 'Community-Based Vegetable Garden' header, followed by 'PUROK 3, MACALANG, BUENAVISTA'. Below this, there's a 'PRIMARY DETAILS' section with a table of project information:

PROJECT ID	MODULE SOURCE
pa-7b329cb7-9045-4327-9070-415eaa54d46f	Program Activity
STATUS	CLASSIFICATION
Custom Actual	BINHI
PROJECT TYPE	PROVINCE
Vegetable	AGUSAN DEL NORTE
MUNICIPALITY	BARANGAY
BUENAVISTA	MACALANG
PUROK	LATITUDE
PUROK 3	8.947920

load Initial MEB

What this tool does

Uploads multiple MEBIS workbooks, uses the bundled CARAGA PSGC helper file, and converts the needed fields into one CSV template for 4Ps and NHTS-PR name matching.

MEBIS Workbooks

Choose Files

No file chosen

Click to upload files from one folder, then click "Add Another File Picker" to choose more files from a different folder if needed.

Add Another File Picker

Output columns:

last_name

first_name

middle_name

extName

- birthdate
- region_code, province_code, city_code, barangay_code
- region_name, province_name, city_name, barangay_name
- File_number

Step 10: Open the MEBIS LGU Template page to review the template tools.

Home

Download Final Validated MEB

What this tool does

Uploads one or more final validated MEB workbooks and converts each one into a simple import-ready template for the app. The output keeps the beneficiary fields needed for import and removes the PUROK prefix so values stay uniform and neat.

Final Validated MEB Workbooks

Choose Files No file chosen

Accepted files: .xlsx and .xlsm. Each output is an import-ready workbook named like `001_MUNICIPALITY_batch_01.xlsx`.
