MS. MARI-FLOR A. DOLLAGA-LIBANG
Regional Director (RD)
Department of Social Welfare and Development (DSWD) Caraga
R. Palma Street, Butuan City, Philippines

Subject: INVITATION TO PARTICIPATE IN THE STAKEHOLDER SURVEY ON PRIORITIZONG VULNERABILTY INDICATORS FOR FOREST ECOSYSTEMS IN CARAGA REGION FOR THE ADB TA-10009 REG: ACCELERATING CLIMATE RESILIENCE IN AGRICULTURE, NATURAL RESOURCES AND THE ENVIRONMENT – 5 CCAP SP3 – CLIMATE RESILIENCE ECOSYSTEMS

Dear Ms. Dollaga-Libang,

The Pacific Rim Innovation and Management Exponents, Inc. (PRIMEX), in joint venture with Landell Mills Limited (UK), is currently implementing the Asian Development Bank-funded Technical Assistance (TA) project titled "Accelerating Climate Resilience in Agriculture, Natural Resources, and the Environment – 5 CCAP SP3: Climate Resilient Ecosystems (TA-10009 REG)," in partnership with the Department of Environment and Natural Resources (DENR).

One of the key activities under this TA is the conduct of a **Climate Risk and Vulnerability Assessment (CRVA)** in Caraga Region, with particular focus on the forestry sector. The CRVA aims to develop a **Composite Vulnerability Index (CVI)** that will help assess climate risks and inform adaptation planning for forest ecosystems and forest-dependent communities in the region.

In this regard, we would like to invite you (or your technical staff) to participate in the **Stakeholder Survey on Prioritizing Vulnerability Indicators for Stakeholder Survey on Prioritizing Vulnerability Indicators for Forest Ecosystems in Caraga Region**. The survey seeks to obtain expert judgments on the relative importance of selected vulnerability indicators under the categories of **Exposure, Sensitivity, and Adaptive Capacity.** Your responses will be analyzed using the Analytic Hierarchy Process (AHP) to derive indicator weights and establish priority rankings, which will directly inform the development of the CVI.

We would greatly appreciate if you could accomplish the enclosed survey form and return it to **Mr. Ronn Ritchie Arboleda, Project Data Analyst**, via email at **rrlarboleda@gmail.com** on or before **5 September 2025**. Please be assured that all responses will be treated with strict confidentiality and reported only in aggregate form. — 09215237425

Your valuable participation will make a significant contribution to improving the scientific basis of climate risk assessment in Caraga Region's Forest ecosystems.

Thank you very much.

Sincerely,

DR. MANUEL L. BONITA
PRIMEX National Team Coordinator,
