DATE / PERIOD	PLACE/S VISITED	ACCOMPLISHMENTS / OUTPUT
September 16	•FO	•Initiated enhancements in the project's data presentation. Worked on conditional display of table values inside < td > cells to make outputs clearer and more organized.
September 17	•FO	•Conducted code refinements in preparation for deduplication and crossmatching tasks. •Reviewed system functions and identified sections requiring conditional logic and better handling of data flow.
September 18	•FO	•Continued development of the Crossmatching project with focus on improving loop structures for efficiency. •Explored adjustments to enable proper handling of nested data comparisons.
September 19	•FO	•Worked on ensuring accurate display of combined file names and improving string handling inside table cells. •Suggested solutions for introducing conditional and line-break logic within outputs for clarity.
September 20	•Saturday	•N/A
September 21	•Sunday	•N/A
September 22	•FO	•Began working on deduplication features by preparing job tracking functions. •Reviewed insertion and retrieval of records to make sure fields such as file names, status, and thresholds were correctly managed.
September 23	•FO	•Concentrated on Crossmatching system improvements. •Enhanced progress_status.php to return JSON-based progress updates. •Updated run.php for nested streaming comparisons with progress reporting, removing the need for pre-collected arrays. •Requested adjustments for helpers/file_parser.php to ensure compatibility with the new loop. •Modified index.php to include rule (fuzzy/exact) and threshold in database insertion. •Adjusted handling of birthDate normalization for more reliable deduplication results.
September 24	•Pavilion X, Butuan City	•Attend the Advancing DSWD FO CARAGA QRT Members: Building A Specialized Trainer Network for Women Friendly Space (WFS) Management Activity.
September 25	•Pavilion X, Butuan City	•Attend the Advancing DSWD FO CARAGA QRT Members: Building A Specialized Trainer Network for Women Friendly Space (WFS) Management Activity.
