	The agenda of the meeting covered the following points: 1. Presentation of DENR Updates • Recent strategies and accomplishments on anti-mining and anti-illegal logging initiatives • Number of apprehensions recorded regionwide, including: • Volume of confiscated forest products • Volume of donated products from confiscated forest products • Number of cases filed by DENR • Number of Registered Chainsaws • Updated Monitoring Information Assistance Center (MIACs), Anti-Environmental Crime Task Force (AECTF) and Anti-Illegal Logging Task Force (AILTF) Maps • Updated list of hotspot areas within Caraga Region	Agusan del Sur recorded the highest number of apprehensions, followed by Surigao del Sur.	• A total of 169 chainsaws have been registered, further strengthening the regulation of equipment often linked to illegal logging. • DENR Caraga, in coordination with the PNP, has filed related cases. Atty. Oja recommended intensifying the regulation of chainsaw registration within the jurisdictions of CENRO Talacogon and Bunawan. • DENR Caraga has established one (1) Anti-Illegal Logging Task Force (AILTF), five (5) Anti-Environment Crime Task Force (AECTF) checkpoints, and 50 Monitoring, Information, and Assistance Centers (MIACs) across five provinces to ensure strict enforcement of environmental laws. • Case build-up procedures have been cascaded to DENR Caraga field offices and Department of justice (DOJ) – National Prosecution Service (NPS) to strengthen environmental law enforcement through specialized training. • DENR Caraga emphasized the need for continued inter-agency collaboration and logistical support (e.g., intelligence sharing, mobility, legal assistance, and community engagement) to effectively sustain anti-illegal logging operations.

	2. Presentation by the National Intelligence Coordinating Agency (NICA)-13 • Updates and strategies on tracking nationals involved in environmental crime violations 3. Presentation by the Police Regional Office (PRO)-13, Regional Anti-Cybercrime Unit (RACU) • Updates on operations and efforts related to environmental crimes 4. Discussion of Draft Resolution • Roles and responsibilities of RMFPC members 5. Other Matters and Ways Forward	**2. Illegal Small-Scale Mining Incident** An operation in Agusan del Sur led to the apprehension of 10 pieces of mining paraphernalia (shovels, sieves, strainers, water hoses) and eight (8) bags of silt containing gold-associated minerals.	• Confiscated paraphernalia was deposited at Bayugan ENR-MIAC. • The silt samples were forwarded to MGB Caraga, Surigao City, for laboratory analysis. • AILTF, AECTF, and MIACs remain functional in monitoring and enforcement.
		3. Apprehension of Chinese Nationals in Mining Operations Several Chinese nationals were apprehended for illegal mining activities; however, cases were dismissed for various reasons.	• DENR to notify the Bureau of Internal Revenue (BIR), Bureau of Immigration (BI), National Bureau of Investigation (NBI), and National Intelligence Coordinating Agency (NICA) regarding these cases. • NICA, while unable to disclose detailed operational strategies, presented updates on its monitoring efforts concerning Chinese nationals' involvement in environmental crimes. • It was moved that BI be invited to the next meeting to brief the body on its initiatives and enforcement related to foreign nationals' activities. The motion was seconded and approved by Atty. Oja.
		4. Adoption of RMFPC Roles and Responsibilities Resolution The adoption of the resolution on the roles and responsibilities of	• The draft resolution will be shared via Google Docs as a working file to enable direct inputs and revisions by all member agencies.

		RMFPC member agencies was deferred to the 4th Quarter 2025 meeting to allow for further review and incorporation of additional inputs.	• Finalization, presentation, and adoption are targeted for the next RMFPC meeting.
