SUBJECT: **FEEDBACK REPORT ON THE BENEFICIARY VALIDATION CONDUCTED IN MADRID, SURIGAO DEL SUR**

DATE: **20 OCTOBER 2025**

Respectfully submitting, the feedback report of the undersigned for the subject as mentioned above. The activity details are as follows:

DATE AND PLACE	ACTIVITY	ISSUES AND CONCERNS	RECOMMENDATIONS/ AGREEMENTS REACHED
October 17-18, 2025 **Madrid**, Surigao del Sur	The undersigned, together with the Disaster Response and Rehabilitation Section (DRRS) Head and concurrent Regional Risk Resiliency Program (RRP) Focal, Ms. Alicia T. Marquiso, Engr. Oriel M. Jacobe from the Monitoring and Technical Assistance Support, Ms. Michelle Ann C. Gravino, Administrative Assistant I, and the designated Project Development Officers for Surigao del Sur, Ms. Faith N. Pinggoy and Ms. Diovelle M. Salvan, jointly conducted the beneficiary validation activity in the Municipality of Madrid, Surigao del Sur.	1. **Duplication of Beneficiaries** After cross-matching, 52 beneficiaries were found to have family members who already benefited from the 1st round of implementation.	• **Data Rectification and Cleansing** All 53 duplicate entries were tagged and excluded from the 2nd round list. Concerned barangays were informed to identify replacement eligible families following the project's selection criteria to ensure fair and equitable assistance distribution.

The team was assisted by Mr. Chrismichael Pen D. Encendencia from the Municipal Planning and Development Office, representing the LGU, and the Municipal Technical Working Group (MTWG) led by Ms. Thrale Jane S. Languez, Municipal Focal and concurrent OIC–Municipal Social Welfare and Development Officer.

This activity aimed to ensure that Project LAWA at BINHI reaches and empowers the right and eligible families across the 14 identified barangays for the 2nd Round Implementation in CY 2025.

The following were the assigned barangays of each team member:

Responsible Staff	Barangay Name	No. of Beneficiaries
Ms. Marquiso	San Vicente	32
	Bagsac	20
Ms. Molino	Quirino	52
	Linibunan	31
Engr. Jacobe	San Roque	27
	Bayogo	38
Ms. Pinggoy	Union	37
	Magsaysay	44
Ms. Salvan	San Antonio	35
	San Juan	30
Ms. Gravino	Manga	38
	Songkit	35
Mr. Encendencia	Panayugon	44
	Patong-patong	38
TOTAL		**500**

1. **Incomplete or Missing FACED entries, or Expired IDs**

Some potential beneficiaries either did not completely fill out their Family Assistance Card in Emergencies and Disasters (FACED) or presented expired identification cards, requiring supplementation of missing data and renewal or replacement of IDs to ensure proper validation of eligibility.

- **FACED Accomplishment and ID Replacement Requirement**

Beneficiaries with incomplete FACED entries were advised to accomplish the missing information immediately with the assistance of the Barangay Technical Working Group (BTWG) and MSWDO.

Those with expired IDs were instructed to renew or replace them with valid government-issued identification prior to the finalization of the masterlist.

The Municipal Focal Person and MTWG were tasked to monitor compliance and submit updates before the printing and approval of the final masterlist.

2. **Limited Manpower for Simultaneous Validation**

The number of validation teams was insufficient to cover all barangays simultaneously, slightly affecting the timeline.

One of the team members was unable

- **Staff Augmentation**

The MPDO staff, Mr. Chrismichael Pen D. Encendencia, from LGU Madrid, was designated to fill in for the FO staff assigned to validate Barangays Panayugon and Patong-patong. Additionally, Mr. Leo Trsitan S. Bagcat, PDO II, a staff member from another site validation team provided augmentation after completing his assigned validation site, ensuring that all barangays were covered.

	During the validation, all identified beneficiaries accomplished their Family Assistance Card in Emergencies and Disasters (FACED) and presented valid identification cards for confirmation of eligibility, authenticity of identification, and verification of demographic information. However, a few beneficiaries presented expired IDs, which were accepted temporarily for identification purposes but will require replacement with valid and updated IDs before final inclusion in the clean masterlist. Profiling and encoding were subsequently carried out, and the data were processed for cross-matching to ensure the integrity and accuracy of the masterlist. After the cross-matching validation, 52 partner beneficiaries from the following barangays were found to have duplications, as some family members were already part of the 1st Round Implementation of Project LAWA at BINHI. These duplicate entries were tagged for removal from the 2nd round masterlist to avoid overlap and ensure equitable distribution of project assistance. **Barangay Name** / **No. of Individuals with Duplication** San Vicente: 1 Bagsac: 1 Quirino: 8 Linibunan: 6 San Roque: 0 Bayogo: 0 Union: 2	to join due to health reasons, and no replacement from the DSWD Field Office team was available due to other equally important commitments.	
		3. Connectivity Issues Weak or unstable internet connectivity in several barangays caused delays in real-time profiling, encoding, and cross-matching validation during the activity.	• **Utilization of Available Internet Connectivity** Teams utilized mobile hotspot connectivity using available data from team members' cellphones. In areas where signal was still intermittent, teams connected to the Wi-Fi networks of Barangay Local Government Units (BLGUs) to ensure the continuity of profiling, encoding, and cross-matching validation activities on site.
		4. Replacement of Duplicated Beneficiaries and their Validation Following the identification of duplicate entries, replacement beneficiaries were required to be validated to complete the target number of eligible families.	• **Continuous Coordination with MTWG and LGU** Regular coordination with the Municipal and Barangay TWGs and the MSWDO will be maintained to ensure timely replacement and validation of duplicate or ineligible beneficiaries. Another round of beneficiary validation for replacements will be conducted on October 20, 2025, by the designated PDOs.

	Magsaysay	17		
	San Antonio	3		
	San Juan	3		
	Manga	4		
	Songkit	0		
	Panayugon	4
