SUBJECT: **FEEDBACK REPORT ON THE PROJECT LAWA AT BINHI SITE VALIDATION AND BENEFICIARY VALIDATION IN MUNICIPALITY OF MADRID, SURIGAO DEL SUR CONDUCTED ON OCTOBER 17-18, 2025**

DATE: **OCTOBER 20, 2025**

DATE/PLACE	ACTIVITY	ISSUES AND CONCERNS	RECOMMENDATIONS/AGREEMENTS REACHED
OCTOBER 17-18 Municipality of Madrid, Surigao Del Sur	SITE VALIDATION TO PROPOSED PROJECT SITES AND BENEFICIARIES' VALIDATION IN BRGY. MANGGA, MADRID, SURIGAO DEL SUR	The undersigned and DSWD FO Caraga – RRP Team made a courtesy visit to the Municipal Social Welfare and Development Office (MSWDO) to conduct proposed sites validation and beneficiary validation as a preparation for the implementation of Risk Resiliency Program – Project Lawa at Binhi in the Municipality of Madrid, Surigao del Sur. The project will be conducted in 14 identified barangays in the municipality.	Based on the conducted site validation, the following agreements have been reached: **A. Site 1 (Brgy. Mangga)** 1. Follow up on the validity of the previously submitted USUFRUCT agreement. 2. Counterpart for seedlings to be used for Project BINHI will be provided by the Municipal Agriculture Office and the BLGU will

		The undersigned were assigned in Brgy. Mangga, which consists of 73 partner beneficiaries, divided into 2 proposed sites The following are the observations/findings during the conducted site validation: **Site 1 – Purok 1, Brgy. Mangga, Madrid, SDS** **Number of partner beneficiaries: 38** The undersigned, accompanied by Hon. Restituto Urquiza – Brgy. Captain of Brgy. Mangga, and Ms. Sheila May R. Pamad – Agricultural Technologist of Municipal Agriculturist Office went to the site. Site 1 is a land area with overgrown weeds/bush area located beside to the local church and adjacent to the barangay road. It a privately owned land area. Upon site validation, it was also found out that the area that the back portion of the land was previously used in last semester implementation of Project Lawa at Binhi. The usufruct agreement submitted declared the whole land area but only used approximately 300 sqm of lot area in previous implementation. The area also has access to water source. The barangay road was also assessed because it will also be utilized for planting of kamoteng kahoy.	also aid in the provision of the seedlings. 3. Pipes/hose to be used for Project LAWA will be provided by the BLGU 4. Water container or drum will be placed in faucet station installed in the garden. 5. Total Area to be utilized: 500 sqm. 6. Beneficiaries with duplication or multiple names registered within the household will be replaced, names replaced was assessed by the BLGU. 7. Official masterlist will be given once finalized and signed. **8. Site 2 (Purok 3, Brgy. Songkit)** 1. USUFRUCT agreement will be used for Lot Utilization Agreement. This will be prepared by the Farmer's Organization. 2. Counterpart for seedlings to be used for Project BINHI will be provided by the Municipal Agriculture Office and the BLGU will also aid in the provision of the seedlings.

		Upon assessment, the area is found suitable for implementation of Project Lawa at Binhi. Project BINHI is Communal Vegetable Gardening - Planting of Disaster Resilient Crops. The area will be planted with kamoteng kahoy, camoted tops, okra and other seedlings that will be available and be provided by the Municipal Agriculture Office. Meanwhile, identified project for Project LAWA is Diversification of Water Supply, water source will be obtained from the local water source. Pipes/Hose to be used will be provided by BLGU Mangga. **Site 2 – Purok 3, Brgy. Songkit, Madrid, SDS.** **Number of partner beneficiaries: 35** The undersigned, accompanied by Hon. Roniel Tejar – Brgy. Kagawad of Brgy. Songkit, and Ms. Sheila May R. Pamad – Agricultural Technologist of Municipal Agriculturist Office went to the site. Site 2 is located at Purok 3, at the back of a residential house. The land area is privately owned. The area is also near the water source, which will be utilized for the identified project for Project LAWA.	3. Pipes/hose to be used for Project LAWA will be provided by the BLGU 4. Water container or drum will be placed in faucet station installed in the garden. 5. Total Area to be utilized: 500 sqm. 6. Beneficiaries with duplication or multiple names registered within the household will be replaced. 7. Official masterlist will be given once finalized and signed.

		Project BINHI is Communal Vegetable Gardening - Planting of Disaster Resilient Crops. The area will be planted with kamoteng kahoy, camoted tops, okra and other seedlings that will be available and be provided by the Municipal Agriculture Office. Meanwhile, identified project for Project LAWA is Diversification of Water Supply, water source will be obtained from the local water source. Pipes/Hose to be used will be provided by the local Farmer's Association. After the site validation, the undersigned also conducted encoding and validation of partner beneficiaries. This includes encoding of basic information of the beneficiary and household competition. This was necessary to fully adhere to the guidelines of the programs and ensure there are no duplications in partner beneficiaries listed. Upon validation, there were six (6) listed names that were found to be either previous beneficiaries in the 1st semester implementation, family to beneficiaries included in the 1st implementation or multiple beneficiaries in one (1) household.
