MARI-FLOR A. DOLLAGA-LIBANG
Regional Director
Department of Social Welfare and Development- Caraga
R.Palma St., Butuan City

Dear Director Dollaga;

Greetings!

In line with the agency's mission to improve the quality of life and ensure access to resources for the poor, disadvantaged, and vulnerable sectors, we are taking the initiative to foster sustainable community development through environmental stewardship and livelihood empowerment.

As part of the Municipal Government's efforts to strengthen food security and livelihoods, we have established community farms across 27 barangays. These farms are vital for sustainable food production and local economic activity, yet they require additional support to reach their full potential. Programs such as Project LAWA and BINHI, which provide critical assistance and technical expertise, can greatly enhance these farms—helping residents improve productivity, build resilience, and achieve greater economic stability.

Therefore, on behalf of the Municipal Government Unit of Basilisa, we respectfully request your good office to expand the number of beneficiaries from our Municipality who will be recipients of **Project LAWA at BINHI**. Specifically, we propose the following allocations: Rita Glenda Farmers & Fisher Folks Association – 55 beneficiaries; New Nazareth Farmers Association – 60 beneficiaries; Villa Ecleo Farmers Association – 60 beneficiaries; Montag Farming Agri. Cooperative – 75 beneficiaries; Roma Farmers Association – 80 beneficiaries; and Bilabid Farm & Fisher Folks Association – 40 beneficiaries. This support will have a profound impact on food security and income stability for Basilisa's residents, laying a strong foundation for long-term growth and sustainable development across the municipality.

We are grateful for your consideration of this endorsement and look forward to collaborating in empowering our communities. If you have questions or inquiries, please feel free to reach out our MSWDO/ Project LAWA at BINHI Focal Mr. Khem Charles Gadon, at 09630735314 or via email mswdobasilisa@gmail.com .

Thank You very much.

Truly Yours,
