ANNOUNCEMENT

We regret to inform everyone that the **Student and Multi-Sectoral Forum on Sustainable Waste Solutions and Localized Climate Adaptation Program, originally scheduled for October 20, 2025 1:00PM to 04:00PM at conference/hall in Caraga State University Main Campus.**
, has been RESCHEDULED.

This decision was made following last week's earthquake, which caused structural damage to the Caraga State University campus building. Upon inspection by the City Engineer's Office, the venue was found unsafe for use due to significant cracks and potential risks from further seismic activity.

A new schedule will be announced soon.

We thank you for your understanding and continued support.

Very truly yours.
