OIC-Chief, Disaster Response Management Division

SUBJECT : **REQUEST FOR VALIDATION (BATCH 22)**

DATE : **27 OCTOBER 2025**

This refers to the implementation of **Project LAWA at BINHI (Local Adaptation to Water Access and Breaking Insufficiency through Nutritious Harvest for the Impoverished)**, a flagship initiative under the **Risk Resiliency Program through Cash-for-Work and Work (RRP-CFTW)**. This project is a proactive intervention and sustainable solution aimed at combating hunger, alleviating poverty, and reducing the economic vulnerability of the communities by addressing food insecurity and water scarcity exacerbated by climate change and disasters.

In compliance with the guidelines for the implementation of **Project LAWA at BINHI**, priority will be given to families classified as poor under the DSWD National Household Targeting System for Poverty Reduction (NHTS-PR) or Listahanan, particularly those with members who are **4Ps beneficiaries**. This approach is crucial for addressing the needs of the most vulnerable populations, ensuring a fair and effective allocation of resources, and promoting social welfare and equity.

In this regard, we respectfully request your good office to match the names of the endorsed lists of beneficiaries from our covered areas:
