MEMORANDUM

FOR : **ELSA A. JAMORA**
Chief, Policy and Plans Division

FROM : **ALDIE MAE A. ANDOY**
OIC-Chief, Disaster Response Management Division

SUBJECT : **REQUEST FOR VALIDATION (BATCH 25)**

DATE : **27 OCTOBER 2025**

This refers to the implementation of **Project LAWA at BINHI (Local Adaptation to Water Access and Breaking Insufficiency through Nutritious Harvest for the Impoverished)**, a flagship initiative under the **Risk Resiliency Program through Cash-for-Work and Work (RRP-CFTW)**. This project is a proactive intervention and sustainable solution aimed at combating hunger, alleviating poverty, and reducing the economic vulnerability of the communities by addressing food insecurity and water scarcity exacerbated by climate change and disasters.

In compliance with the guidelines for the implementation of Project LAWA at BINHI, **priority will be given to families classified as poor under the DSWD National Household Targeting System for Poverty Reduction (NHTS-PR) or Listahanan**, particularly those with members who are 4Ps beneficiaries. This approach ensures that assistance is extended to the most vulnerable sectors, promotes equity, and facilitates the efficient allocation of project resources.

In this regard, we respectfully request your good office to conduct the matching and validation of the endorsed list of potential beneficiaries from our covered area, as presented below:

Province	Municipality	No. of Names for Matching	Source Link

Furthermore, we kindly request an official memorandum or certification from the NHTS-PR/Listahanan team regarding the results of the validation to support the next steps of project implementation.

For your reference, consideration, and approval.
