Dear ***Mayor Lopez:***

This refers to the implementation of *Project LAWA at BINHI* (Local Adaptation to Water Access and Breaking Insufficiency through Nutritious Harvest for the Impoverished), under the Risk Resiliency Program – Cash-for-Training and Work (RRP-CFTW).

We are pleased to acknowledge the successful completion of the project's first round in your municipality, which was made possible through your invaluable support and partnership.

For the second round of implementation this year, your municipality has been allocated Four Million Three Hundred Fifty Thousand Pesos (₱4,350,000.00). This allocation shall benefit 500 individuals, each representing their respective families. They will engage in project activities focused on water sufficiency and food security for a period of twenty (20) days, with each partner beneficiary receiving a daily wage of Four Hundred Thirty-Five Pesos (₱435.00).

To ensure wider coverage and inclusivity, we respectfully emphasize that the beneficiaries for this round should come from different families than those in the first round, so that more households may equally benefit from the program.

In this regard, we respectfully request the continued assistance of your good office, particularly through the MSWDO and the Municipal Technical Working Group (MTWG). To ensure smooth and effective implementation, a Coordination Meeting and Orientation will be conducted on October 13, 2025, with the following schedule:

Activity Name	Date	Time	Target Participants
Coordination Meeting with LCE and TWG	Oct. 13, 2025	10:00 AM – 12:00 NN	Municipal Mayor, MSWDO and MTWG Members
BLGU Forum	Oct. 13, 2025	1:00 – 4:00 PM	Barangay Captain, Kagawad (either Social Services, Agriculture or Environment) and Secretaries of target barangays
