II. Rationale

In line with the Department of Social Welfare and Development's (DSWD) mission to uplift the lives of marginalized and vulnerable Filipinos, the Department remains steadfast in addressing the challenges brought about by climate change, natural disasters, and socio-economic inequalities. Through initiatives anchored on social protection, poverty reduction, and community empowerment, DSWD continues to advance efforts that promote water sufficiency and food security, particularly through Project LAWA at BINHI or Local Adaptation to Water Access and Breaking Insufficiency Through Nutritious Harvest for the Impoverished).

As part of the Department's continuing efforts to strengthen the implementation of Project LAWA at BINHI for the next cycle, the Regional TWG Forum will be conducted under the Risk Resiliency Program through Cash-for-Training and Work (RRP-CFTW), led by the Disaster Response Management Bureau (DRMB) Central Office and the Disaster Response Management Division (DRMD) of DSWD Field Office Caraga.

The forum will serve as a venue for consultation, alignment, and collaborative planning among RRP staff and Provincial and Municipal Technical Working Group (TWG) members. It aims to ensure consistency with the strategic directions set by the DRMB Central Office and

to strengthen the region's readiness for the resilient implementation of Project LAWA at BINHI in the upcoming cycle.

III. Legal Bases

RRP-CFTW's project LAWA at BINHI was part of the many programs of the DSWD, which helps achieve its primary mandate to develop, implement, and coordinate social protection and poverty reduction solutions for and with the poor, vulnerable, and disadvantaged. Below are the legal bases for the RRP-CFTW implementation:

Frameworks and National Legislations

a. **Sustainable Development Goals** (No. 1: No Poverty - "End poverty in all its forms everywhere"; No. 2: Zero Hunger - "End hunger, achieve food security and improved nutrition and promote sustainable agriculture"; No. 13: Climate Action - "Take urgent action to combat climate change and its impacts"; and No. 17: Partnerships for the Goals - "Strengthen the means of implementation and revitalize the global partnership for sustainable development");
b. **Philippine Development Plan 2023-2030** (Chapter 15: "Accelerate Climate Action and Strengthen Disaster Resilience" - enhance the adaptive capacity of communities and ecosystems that are most vulnerable to natural hazards and climate change. This will be supported by an improved knowledge and data ecosystem, and good governance.);
c. **National Climate Change Action Plan 2023-2028** which prioritizes food security, water sufficiency, ecological and environmental stability, human security, climate-smart industries and services, sustainable energy, and knowledge and capacity development as the strategic direction for 2011 to 2028;
d. **Republic Act No. 10121** *(The Philippine Disaster Risk Reduction Management Act of 2010)* institutionalized the National Disaster Risk Reduction Management Plan that sets out goals and objectives to focus on reduction and management of disaster risks;
e. **Republic Act No. 9729** *(Climate Change Act of 2009)* institutionalized the National Framework Strategy on climate change setting the goal to build an adaptive and resilient communities and natural ecosystems;

Executive Legislations

a. **Executive Order No. 24, Series of 2017** *(Reorganizing The Cabinet Clusters System by Integrating Good Governance and Anti-Corruption in The Policy Frameworks of All Clusters and Creating the Infrastructure Cluster and Participatory Governance Cluster)* integrated policies and programs on climate and disaster risk management and sustainable development through effective service delivery;
b. **General Appropriations Act (GAA)** provides for budgetary support to PPAs of government agencies for a specific year;
c. **Commission on Audit Circular No. 94-013, series of 1994** *(Rules and Regulations in the Grant, Utilization and Liquidation of funds transferred to Implementing Agencies)*; *and*
d. **Risk Resiliency Program Operations Manual, and Monitoring, Evaluation, and Reporting (MER) Framework.**

DSWD Issuances

a. **DSWD Administrative Order No. 11, series of 2022** *(Adopting the DSWD Refreshed Strategy 2028)* considered the Disaster Management Roadmap in addition to the core processes of the Department aiming to enhance the DSWD response capacities towards improved disaster response capabilities. Essentially, this roadmap contributes to the Department's strategic growing focus on the direct administration of disaster management programs and services;

b. **DSWD Memorandum Circular No. 04 series of 2021**, or the "Enhanced Guidelines on the Implementation of the Cash and Food-For-Work, Training, and Caring for Disaster Risk Reduction and Management";
c. **Guidance from the Secretary** for the implementation of Risk Resiliency Program dated 21 September 2023; and,
d. **Guidance from the Secretary** for the implementation of Risk Resiliency Program dated 19 January 2024.

IV. Objectives

The activity aims to:

1. **Orient Participants** – Guide RRP Staff and TWG members on the updated guidelines of RRP Project LAWA at BINHI, including its implementation mechanisms, institutional arrangements, and directions set during the Central Office–led strategic planning.

2. **Align and Validate Implementation Directions, Target Areas, and Allocations** – Ensure a unified understanding of the project framework, operational processes, and reporting mechanisms, and confirm proposed project allocations and target areas consistent with regional priorities and equitable resource distribution.

3. **Facilitate Collaborative Planning** – Engage RRP Staff and TWG members through participatory discussions to consolidate inputs, identify local priorities, and develop actionable implementation plans for effective project delivery.

4. **Consolidate Resource Mapping and Commitments** – Define clear roles, responsibilities, timelines, and resource requirements within implementing units to support implementation convergence and efficient resource utilization aligned with project objectives.

5. **Document Agreements, Strategies, and Recommendations** – Capture the highlights of discussions, agreements, and recommendations to serve as references for endorsement and improvement of implementation processes in succeeding project cycles.

V. Expected Outputs

At the end of the activity, the following outputs are expected to be produced:

1. **Refined Breakdown of Allocation** – A detailed reference document indicating the list of target areas and the corresponding resource allocation per area, serving as a guide for RRP Staff and TWG members in preparing project proposals for the next implementation cycle of RRP Project LAWA at BINHI.

2. **Refined Implementation Plan** – A comprehensive plan outlining key activities, target areas, timelines, and designated responsibilities to support the effective rollout of the next cycle of RRP Project LAWA at BINHI.

3. **Updated Resource Map** – A consolidated inventory of available and potential resource contributions from implementing units to support implementation convergence and maximize resource utilization.

4. **Documentation Report** – An executive summary capturing the highlights of discussions, agreements, commitments, and recommendations for consideration in succeeding planning and implementation cycles.

VI. Methodology

The activity will adopt a participatory and consultative approach to ensure that all inputs from field implementers and TWG members are considered in the refinement of strategies and plans. The forum will be conducted through a combination of presentations, plenary discussions, and workshop sessions, guided by the following methods:

1. **Presentation and Orientation** – Resource persons from DRMB Central Office and DRMD FO Caraga will present the updated RRP-CFTW guidelines, implementation parameters, and national strategic directions for Project LAWA at BINHI.

2. **Plenary Discussion** – Open dialogue sessions will be facilitated to clarify operational concerns, validate priorities, and align implementation strategies across provinces and municipalities.

3. **Workshop Sessions** – Breakout groups will be formed by province or cluster to:

    - Review and validate proposed target areas and allocations.
    - Refine implementation plans and timelines.
    - Consolidate resource mapping and commitments from each participating unit.

4. **Synthesis and Agreement-Building** – Outputs from each group will be presented in plenary for validation, harmonization, and agreement on next steps and commitments.

VII. Monitoring and Reporting Mechanism

To ensure accountability and continuity after the forum, the following monitoring and reporting mechanisms will be adopted:

1. **Consolidated Documentation Report** – The DRMD Secretariat will compile proceedings, agreements, and validated plans and transmit these to DRMB Central Office for review and reference in national-level planning.

2. **Follow-through Coordination** – DRMD will conduct follow-up meetings or virtual check-ins with provincial focal persons and TWG members to track progress on the preparation of project proposals and finalization of local implementation plans.

3. **Integration into RRP Monitoring System** – Agreed commitments and refined outputs will be integrated into the RRP-CFTW monitoring templates and dashboards to ensure consistency with existing reporting mechanisms.

4. **Feedback Loop** – A post-activity evaluation will be administered to gather feedback from participants on the conduct of the forum and areas for improvement in coordination and implementation processes.
